#### **234.005 General requirements.**

##### **234.005-1 Competition.**

(1) A contract that is initially awarded from the competitive selection of a proposal resulting from a general solicitation may contain a contract line item or contract option for the provision of advanced component development or prototype of technology developed under the contract or the delivery of initial or additional prototype items if the item or a prototype thereof is created as the result of work performed under the contract only when it adheres to the following limitations:

(i) The contract line item or contract option shall be limited to the minimal amount of initial or additional prototype items that will allow for timely competitive solicitation and award of a follow-on development or production contract for those items.

(ii) The term of the contract line item or contract option shall be for not more than 12 months.

(iii) The dollar value of the work to be performed pursuant to the contract line item or contract option shall not exceed the lesser of—

(A) The amount that is three times the dollar value of the work previously performed under the contract; or

(B) \$20 million.

(2) A contract line item or contract option may not be exercised under this authority after September 30, 2014.

### **Subpart 234.2—Earned Value Management System**

SOURCE: 73 FR 21848, Apr. 23, 2008, unless otherwise noted.

#### **234.201 Policy.**

(1) DoD applies the earned value management system requirement as follows:

(i) For cost or incentive contracts and subcontracts valued at \$20,000,000 or more, the earned value management system shall comply with the guidelines in the American National Standards Institute/Electronic Industries Alliance Standard 748, Earned Value Management Systems (ANSI/EIA-748).

(ii) For cost or incentive contracts and subcontracts valued at \$50,000,000 or more, the contractor shall have an earned value management system that has been determined by the cognizant Federal agency to be in compliance with the guidelines in ANSI/EIA-748.

(iii) For cost or incentive contracts and subcontracts valued at less than \$20,000,000—

(A) The application of earned value management is optional and is a risk-based decision;

(B) A decision to apply earned value management shall be documented in the contract file; and

(C) Follow the procedures at PGI 234.201(1)(iii) for conducting a cost-benefit analysis.

(iv) For firm-fixed-price contracts and subcontracts of any dollar value—

(A) The application of earned value management is discouraged; and

(B) Follow the procedures at PGI 234.201(1)(iv) for obtaining a waiver before applying earned value management.

(2) When an offeror proposes a plan for compliance with the earned value management system guidelines in ANSI/EIA-748, follow the review procedures at PGI 234.201(2).
